whom it may concern,

My name is William Williams
 I'm jailed at KCCF in Grand Rapids, Michigan.
 I would like to file a lawsuit. In March they
 put inmate Michael Ross in my cell. Three days
 later I began itching told two officers,
 three nurses.

They ignored it, wouldn't move him.
 the following week, itching is worse, Marks
 on my body, Scabs. They still don't know.
 Jake was to come check me. He never saw
 me, he was in the unit.

I look at my uniform there lice is dead and
 alive. They isolated me, gave me some cream
 and 7 days of benadryl. I wrote a grievance
 on 4/1/2024, for pictures, I have bite marks
 and scabs from my shoulders, neck, down my
 back, to my buttocks

No one has come or even responded. This
 could've been avoided, due to the carelessness of
 the jail staff. Ignoring the issue of me
 knowing something was wrong

Sincerely,

William Williams
